THE FOUNDATION FAITH OF GOD

Outreach '80

September

Welcome to all new Founders of whatever rank - Elect Ministers, Witnesses, Aides, Disciples, through to the hundreds of members who've joined Foundation Prayer Fellowships during this last month.

WASHINGTON

ANGELS GUIDE THE WAY

The *Northeastern Foundation*, Washington-based center for the *Spirit of Renewal* and the *Ministry of the Angels of Christ*, has met with an enormous response through television broadcasts in the Washington area. Offering Angel Listenings, Healing Oils, courses about Angels and, of course, prayers, the Founders in Washington have received thousands of requests from people who have been touched by the message of the ministering Angels of Christ. This month Rev. Magdalen St. Claire and Rev. Enoch Garrett of *The Angel Ministry* appeared on WBAL-TV's *'Hello Baltimore'* with hosts Edie House and Harry Martin. The show was followed by a reception and meeting at the *Lord Baltimore Hotel.* Contact Sister Joanna Long at the *Northeastern Foundation* for details of upcoming TV and radio broadcasts by *The Ministry of the Angels of Christ.*

NEW ORLEANS

EXPANDED FACILITY HELPS MEET CITY NEED

The *Divine Grace Ministry's House of the Dove* Crisis Shelter is now operating a 70-bed facility to provide emergency housing for individuals and families in need. The Center is unique in that it provides not only a place to sleep and a roof over the head, but a 24-hour environment to give people the social framework and spiritual orientation to recognize their lives. *"From very simple beginnings at our first building on Felicity Street, The Lord has blessed us beyond our wildest imaginings,"* said Rev. Hope White, Divine Grace Director. *"He has added five more buildings on Prytania Street, a gifted staff and the enthusiastic support of official and private New Orleans Agencies."*

Recently, the *House of the Dove* and the work of the Ministry was brought to the wider attention of Greater New Orleans through television interviews on ABC's *'Good Morning, New Orleans'* and NBC News.

The *Divine Grace Ministries* is filling a vital need in New Orleans, a city that is often the final refuge for people from throughout the South who are seeking a new start. This *exciting* and *challenging* Ministry has a place and a need for any and all volunteers, support and contributions. For more information contact Rev. Simon Moor.

CANADA

CANADIANS GET THE MESSAGE

From Toronto, to Winnipeg, to Regina, to Calgary, Canadian media has been carrying the message of *Jesus Christ's Second Coming* as delivered live by Founders of the Toronto-based *Canadian Headquarters*, on 17 different radio stations across Canada. Newspaper headlines in Calgary, Edmonton and Winnipeg echoed the good news of *GOD's miracles, His Holy Angels* and the *Infinite Love* of Jesus Christ.

Rev. Estelle Lehnen was so popular on Wayne McClean's CKWW radio show in Windsor, Ontario, that he invited her back the next day for another 2½ hours about The Lord and especially about His Angels.

On CHIN radio in Toronto, Sister Ione Lorraine, director of *Foundation Prison Ministries* in Canada, gave listeners a unique insight into the challenges, methods and rewards of her innovative work in Toronto prisons.

The *Canadian Headquarters*, under the directorship of Rev. Steven Hirano, is the home of several Foundation ministries and is a multi-facility training center for The Lord's work in Canada. A full range of Christ centered courses and seminars are offered to the public, while Outreach programs take the power of GOD's Word throughout the country.

ATLANTA

GHANA OUTREACH WITNESSES HEALING MIRACLES

The *Atlanta Foundation's Circle of Power* in Ghana, West Africa, led by Grace Asare-Djan, has been blessed with the gift of healing. The three following stories are witness to the power of GOD.

Grace, who is by profession a nurse, laid hands in prayer on a person admitted to her hospital with a severe case of *rheumatic fever.* In total contrast to the normal pattern of that disease, the person was released within 24 hours from the hospital fully recovered.

The second healing which Grace recounts involved a young girl with a *chronic back condition.* All members of the *Circle of Power* gathered in prayer for her. By **The Lord's Grace,** the little girl was healed.

And finally, an old woman suffering from *severe arthritis* attended a *Circle of Power* meeting to request prayer and the laying on of hands. She left the meeting thanking GOD for her *healing.* Another witness to the *power of Jesus Christ.* We thank The Lord for people like Grace and her friends in Ghana who are carrying on the work which The Lord has given us to undertake through *The Foundation Faith* in their homes, cities and countries. If you want to start a *Foundation Prayer Group* in your area, write to Outreach '80 Headquarters in Phoenix.

Also from Atlanta, we are pleased to announce the beginning of what we pray will be a growing and fruitful relationship with *Columbia House,* a women's half-way house in Atlanta where the Rev. John Christopher and Rev. Charity Benedicte have begun to hold services. This is an extension and continuation of the wonderful work which GOD has given Rev. Christopher to carry out at *Federal Penitentiary* in Atlanta.

FOUNDATION PERSPECTIVE

This month for *Foundation Perspective*, The Lord guided to get some feelings and opinions from Foundation Ministers on the subject of animals, and man's responsibility before GOD for his innocent creatures.

REV. DIANA ASHER: *"I love animals of every description. They are simply uncomplicated and without pretense. They are magnificently beautiful and completely innocent of the schemes of the human mind.*

"The unreserved and unconditional affection of an animal for a human who has won its respect and loyalty is unmatched in people, and personally gives me a glimpse of what GOD's Kingdom is all about.

"An animal on whom pain is inflicted is perhaps the most awful thing I've seen, because they have no comprehension of why or how their suffering comes and so pain leads to panic and terror. How could anyone intentionally hurt one of GOD's creatures?"

Rev. Asher is Director of the *Las Vegas Foundation.*

REV. ELI ALEXANDER: *"The justification most often given for mankind's abuse of The Lord's creatures is that the activity in question is for the benefit of human beings. This covers everything from fur coats to scientific experiments and I suppose is based on the notion that humans are of superior worth by virtue of their intelligence and the premise of being 'made in the image of GOD'. I won't even comment on the quality of logic that says that being GOD-like gives license to act like a persecuting demon with respect to one's fellow creatures."*

Rev. Eli Alexander attended *Harvard University*. He has been active in The Foundation Ministry throughout the United States and Canada. He is currently the administrative assistant to the Director of the *Dallas Foundation* and heads his own Outreach Ministry to Dallas area prisons.

REV. SHARON ST. JOAN *"The Bible says that GOD gave mankind dominion over the beasts of the earth and all the creatures of the sea and sky. Dominion carries with it responsibility. A king has dominion over his subjects and this sovereignty requires that the king provide for the peace, the well being and the prosperity of his domain and his subjects. If the ruler abuses the land, destroys the peace, bankrupts the nation and tortures and kills his subjects, he is considered a tyrant: such a ruler is hated and opposed either secretly or openly, he is deposed or killed and his memory reviled.*

"Mankind's dominion over GOD's creatures has become this kind of tyranny. Animals are killed for sport simply for the fun of killing, their natural habitats are destroyed, they are driven into extinction, they are poisoned by mankind's pollutants, they are experimented upon by the hundreds of millions, they are imprisoned in cages and made to jump through hoops for the amusement of people, they are clubbed to death for their pelts because bullet holes ruin the appearance of fur coats; in a word, as far as mankind's concerned, GOD's creatures over whom we have been given dominion are expendable. I cannot conceive of Jesus Christ performing an experiment upon a rabbit or participating in any of the cruelties that human beings inflict upon animals.

"As a race we are tyrants of the worst kind upon the earth and the consequences of this, only GOD can say."

Rev. St. Joan is Director of the *Healing Ministry* and has been a channel for healing and inspiration to millions through her television, radio and public appearances.

NEW YORK

REVEREND ST. JOAN ADDRESSES NEW SONG GOSPEL FESTIVAL

One of the highlights of the *New Song Gospel Festival*, held on August 9th on the Plaza of the Kensico Dam in Westchester County in New York, was when Rev. Sharon St. Joan called hundreds forward to receive *healing prayers* and the *laying on of hands.* The Festival was organized by Vy Walker, Director of *I.G.N.I.T.E. Ministries*, and hosted by Evangelist Austin Miles. Mr. Miles is familiar to viewers of the *PTL Club* as a gifted Evangelist whose special calling is to minister to circus performers and theater people. The Festival featured gospel music and brought together leaders of the Christian community from throughout Westchester County and surrounding areas.

Rev. St. Joan, the Director of *The Healing Ministry of the Conquering King*, based at Kairos, The Foundation's beautiful retreat center in Northern Westchester, has a very powerful radio and television ministry. In addition to her own regular radio broadcasts and an upcoming television series on *Channel 54*, she and Ministry Assistant, Gabrielle Lawrence, are frequent guests on TV and radio talk shows around the country. Appearances last month on ABC television in Detroit and in Cleveland brought the healing power of Jesus Christ to hundreds of thousands of viewers.

At Kairos the *Healing Ministry* hosts a *"Power of Christ Retreat"* each month. These weekend events to which all are invited are carried out completely under the *guidance of the Holy Spirit.* The retreat focuses on the clearing of emotional and spiritual blocks which prevent people from realizing the *power of Christ* in their lives. The secluded grounds of Kairos Center adds to the experience of *prayer* and *spiritual encounter* with GOD. In depth consultations with ministry personnel, workshops, worship, song and private prayer and meditation make these retreats a unique and profound experience for all attenders.

For the Fall and Winter schedule of retreats, write to Sister Nathania, Retreat Coordinator, c/o *The Healing Ministry of The Conquering King.*

Newsletters published by individual Foundations and Ministries such as the **Healing Ministry of the Conquering King** *and the* **Jewish Crusade for Jesus,** *are available on a monthly basis upon request, and are absolutely* **free of charge.** *Local Ministers and their mail-out staff are happy to add your names to their mailing lists and acquaint you personally with details of* **Retreats, Seminars, Workshops, and Healing Services.**

You can be an important partner in any of the Ministries of The Foundation Faith of GOD. This great work needs your love offerings and prayers.

THE LORD'S CREATURES

It will be no surprise to anyone who has visited almost any one of the Foundation centers or Outreach Ministries that Founders share a *deep love* for GOD's creatures and a concern for their well being.

In addition to the usual proliferation of dogs, cats, doves and the free roaming creatures that seek refuge at Foundation Retreat Centers, last year we adopted four beautiful burros (donkeys) through the *Bureau of Land Management's 'Adopt a Burro'* program. This effort by the Federal Government, part of a plan to find permanent homes for wild horses and burros who otherwise fall victim to hunters or find themselves led to slaughter houses, has saved thousands of these beautiful animals.

The Foundation's four burros - Violet, Rose, Clementine and Boswell, recently became five when Violet gave birth to a beautiful baby burro named 'Sunshine'. GOD *is* good!

If you have the facility to care for one or more of these lovely creatures, you may qualify to adopt them absolutely free. For information contact:

DALLAS

FLYING FROG SIGHTED IN AREA HOSPITALS

A 5'4" green frog whose great leaps approximate flight has been seen in the company of a clown of about the same height in and around the children's wards of Dallas' hospitals. The pair seem intent on interrupting the hum-drum of hospital routine with fun, games, jokes and laughing children!

Doctors, nurses and hospital staff, much to the delight of the bedridden kids, are often the butt of Frog and Clown's jokes and antics. What fun to watch the doctor open Pansy the Clown's can of peanut brittle only to have pretend spring loaded snakes come flying out!

Pansy and her new found frog friend are the star performers of the *Crusade of Innocence's Clown Ministry*. Under the direction of Rev. Lucia Smith ('Pansy'), the Crusade's clowns bring the love and healing joy of Jesus Christ to chronically and terminally ill children and counseling to parents and families. This *wonderful work* for The Lord is winning hearts and souls all across Texas and around the country. Rev. Smith is a regular on Dallas radio and television and recently appeared on WFAA-TV's *Mr. Peppermint Show*, a Dallas long-standing children's program, as 'Pansy'. As a result, the ministry telephones are frequently busy with kids calling up to request a joke from Pansy!

Last month, Rev. Smith was a featured guest on the nationally televised *PTL Club* and had an opportunity to share in the wonderful southern hospitality of Jim and Tammy Bakker at PTL's marvelous North Carolina headquarters. *Praise The Lord!*

The Crusade of Innocence sponsors Clown Ministries in a number of U.S. cities. If you feel moved by The Lord to make unfortunate children happy, contact Rev. Lucia Smith at the *Dallas Foundation*. Clowns, Frogs... who knows, maybe you can be Leaping Lizard!

THANKS

Special thanks this month to the *Hacienda Hotel* in Las Vegas, Nevada, for their generous donation of furniture; to the *Savin Copier Corporation* for providing the *Northeastern Foundation* in Washington with a wonderful machine; to the *JayCees* in Dallas who have extended their help and support to Rev. Lucia Smith and The *Crusade of Innocence;* to KTVT and KXAS television in Fort Worth; to WXYZ-TV in Detroit and WEWS-TV in Cleveland and finally to WNEW radio in New York.

And to all of you, whose help, support and prayers have helped to further the work of Jesus Christ through The Foundation.

BECOME A PATRON MEMBER OF A FOUNDATION MINISTRY

Many people want to become more involved in the soul winning work of The Foundation Faith of GOD, but because of family, business or other commitments, are unable to take part directly in Outreach Ministry projects. However, by becoming a Patron of a Foundation Ministry, everyone can devote some of their energy, money or resources to benefit a specific Outreach project, such as work with terminally ill children, prison ministries, women in crisis or any of the other projects described in Foundation Newsletters.

NEW ORLEANS

Gil and Laura Severson who met each other through the Foundation's *Divine Grace Ministries* in New Orleans and were recently married there, have drawn upon the inspiration of *The House of The Dove* crisis shelter and become house parents for a New Orleans branch of Father Flanagan's *Boy's Town Homes.* Through Laura and Gil, The Foundation is providing the young people in their charge with a positive experience of GOD. We applaud the Severson's commitment and pray for great blessings in their marriage and their calling.
